

Bournemouth Arts by the Sea Festival

26 Sept — 12 Oct 2014

Composer Robert Mitchell premiered his multi-genre piece *Invocation* at St Peter's Church alongside his band Panacea, Bournemouth Symphony Chorus and Avonbourne and Harewood schools.

"There was a conceptual richness to *Invocation* that would be beyond even the most creative of beings and if the immense intricacy of the composing was commendable then so too was the real soulfulness, the humanity, at its core. The ambition of the concept was matched by the beauty of the result."

Kevin Le Gendre, Jazzwise Magazine.
