

The Bishop of Winchester, the Rt. Rev'd Tim Dakin, welcomed over 150 people to St Peter's Church on Sunday for a jubilant service of baptism and confirmation, with holy communion. The service was attended by the Mayor and Mayoress of Bournemouth, signifying the close links between St Peter's, as Civic Church, also serving BU & AUB on its town centre campus, and the Borough Council.

The picture shows the Bishop with the Mayor and Mayoress, the Team Rector, Church Wardens and those who had just been confirmed.
